Summit Rehabilitation Celebrates Grand Re-opening

A ribbon cutting ceremony and open house was held on Tuesday, October 11, 2011 to celebrate the grand re-opening of Summit Rehabilitation and Care Community. Summit is owned by Lexicon Care, Inc. and managed by Piñon Management.

Summit Rehabilitation and Care Community is a leading skilled nursing provider in the Aurora and Lowry area for post hospital nursing and rehabilitation care.

Experienced professionals are available to provide physical, occupational and speech therapy, and personal care for short term recovery stays.

One neighborhood at Summit is dedicated to secured memory care services for those with Alzheimer's and dementia related diagnosis. Outpatient therapy is also available.

Lexicon Care, Inc owners Shirley Minshall, John Minshall, Sally Trager, Sandra Vivian, Patricia Denbo and Richard Minshall cut the ribbon at the grand re-opening.

Summit is located at 500 Geneva Street in Aurora. We welcome you to visit and take a tour at Summit. For information about Summit Rehabilitation and Care Community and Piñon Management, please call (303) 987-3088.
